If I were in charge of the world

If I were in charge of the world

I'd cancel

all the parents who make children go to bed,
all the taxes that gill our head,
and every fruit and veg.

If I were in charge of the world

There'd be

cat's roaming everywhere in the streets,
longer school holidays,
and iced donuts to eat everyday.

If I were in charge of the world

You wouldn't have homework ever again,

You wouldn't have football as a sport,

You wouldn't have schools open anymore,

Or house chores to do.

If I were in charge of the world.
